### Summer school holiday program

**Recycled object Christmas craft!**

Get ready for Christmas by decorating a variety of recycled craft materials to create unique, one-of-a-kind ornaments. Get into the spirit of giving by saving rubbish from heading to the bin and give it a new life as Christmas décor you will treasure for years to come.

**Reduce, reuse, recycle & welcome in our New Year!**

Using recycled and salvaged materials from parties and events of the bygone year, make a celebratory popper that you can set off after using our specially crafted Count Down Counters for your New Year's celebration!

**Marine couture scavenger hunt**

Win a Cairns Museum Prize Pack! Follow the clues in our Temporary Exhibit, find bottle caps with code-words written in them and 'salvage' a secret environmental message to enter our competition. (Entry box at Reception, drawn 19th of Jan).

**Colouring in competition**

Could your artwork be the one displayed in the pride of place? Lucky winners will have their colouring in sheets framed and hung in the Kids Workshop Space for 2023 as well as a Cairns Museum Prize Pack! Collect your sheet from Reception and head to the Verandah to do your best work. (Entry box at Reception, drawn 19th of Jan).

**Museum activity trails**

Ask Reception about our selection of family friendly activity trails. Choose your adventure and get exploring!

**Kids self-guided audio tour**

Who's up for an adventure? Join Pip, Caden and Jules as they bring the Museum to life! BYO device and earphones and get ready for lots of fun and laughs along the way.
