Summer school holiday program

Salvage your summer plastics!

Be a part of the first ever Cairns Museum collaborative bottle cap mural as we use our collection of salvaged bottle caps to create a display that will remind our community of the beauty and importance of recycling. Take home your own art resources made of recycled plastic and spread the message to friends and family.

Welcoming tropical guests

Honour our local sea life's battle with marine plastics by rescuing garbage-bound items and reusing them to create a special sculpture of a turtle's favourite meal.

Visions of the past and future

Make your own Hologram-Viewer from old plastic containers and use a special QR code to discover, in 3D, what it is we are saving in our plastics mission, and create a very vintage kid's TV from paper craft of the 1950's.

Marine couture scavenger hunt

Win a Cairns Museum Prize Pack! Follow the clues in our Temporary Exhibit, find bottle caps with code-words written in them and 'salvage' a secret environmental message to enter our competition. (Entry box at Reception, drawn 19th of Jan).

Colouring in competition

Could your artwork be the one displayed in the pride of place? Lucky winners will have their colouring in sheets framed and hung in the Kids Workshop Space for 2023 as well as a Cairns Museum Prize Pack! Collect your sheet from Reception and head to the Verandah to do your best work. (Entry box at Reception, drawn 19th of Jan).

Kids self-guided audio tour

Who's up for an adventure? Join Pip, Caden and Jules as they bring the Museum to life! BYO device and earphones and get ready for lots of fun and laughs along the way.
